

# UdL's DataWareHouse

## Why a DataWareHouse ?

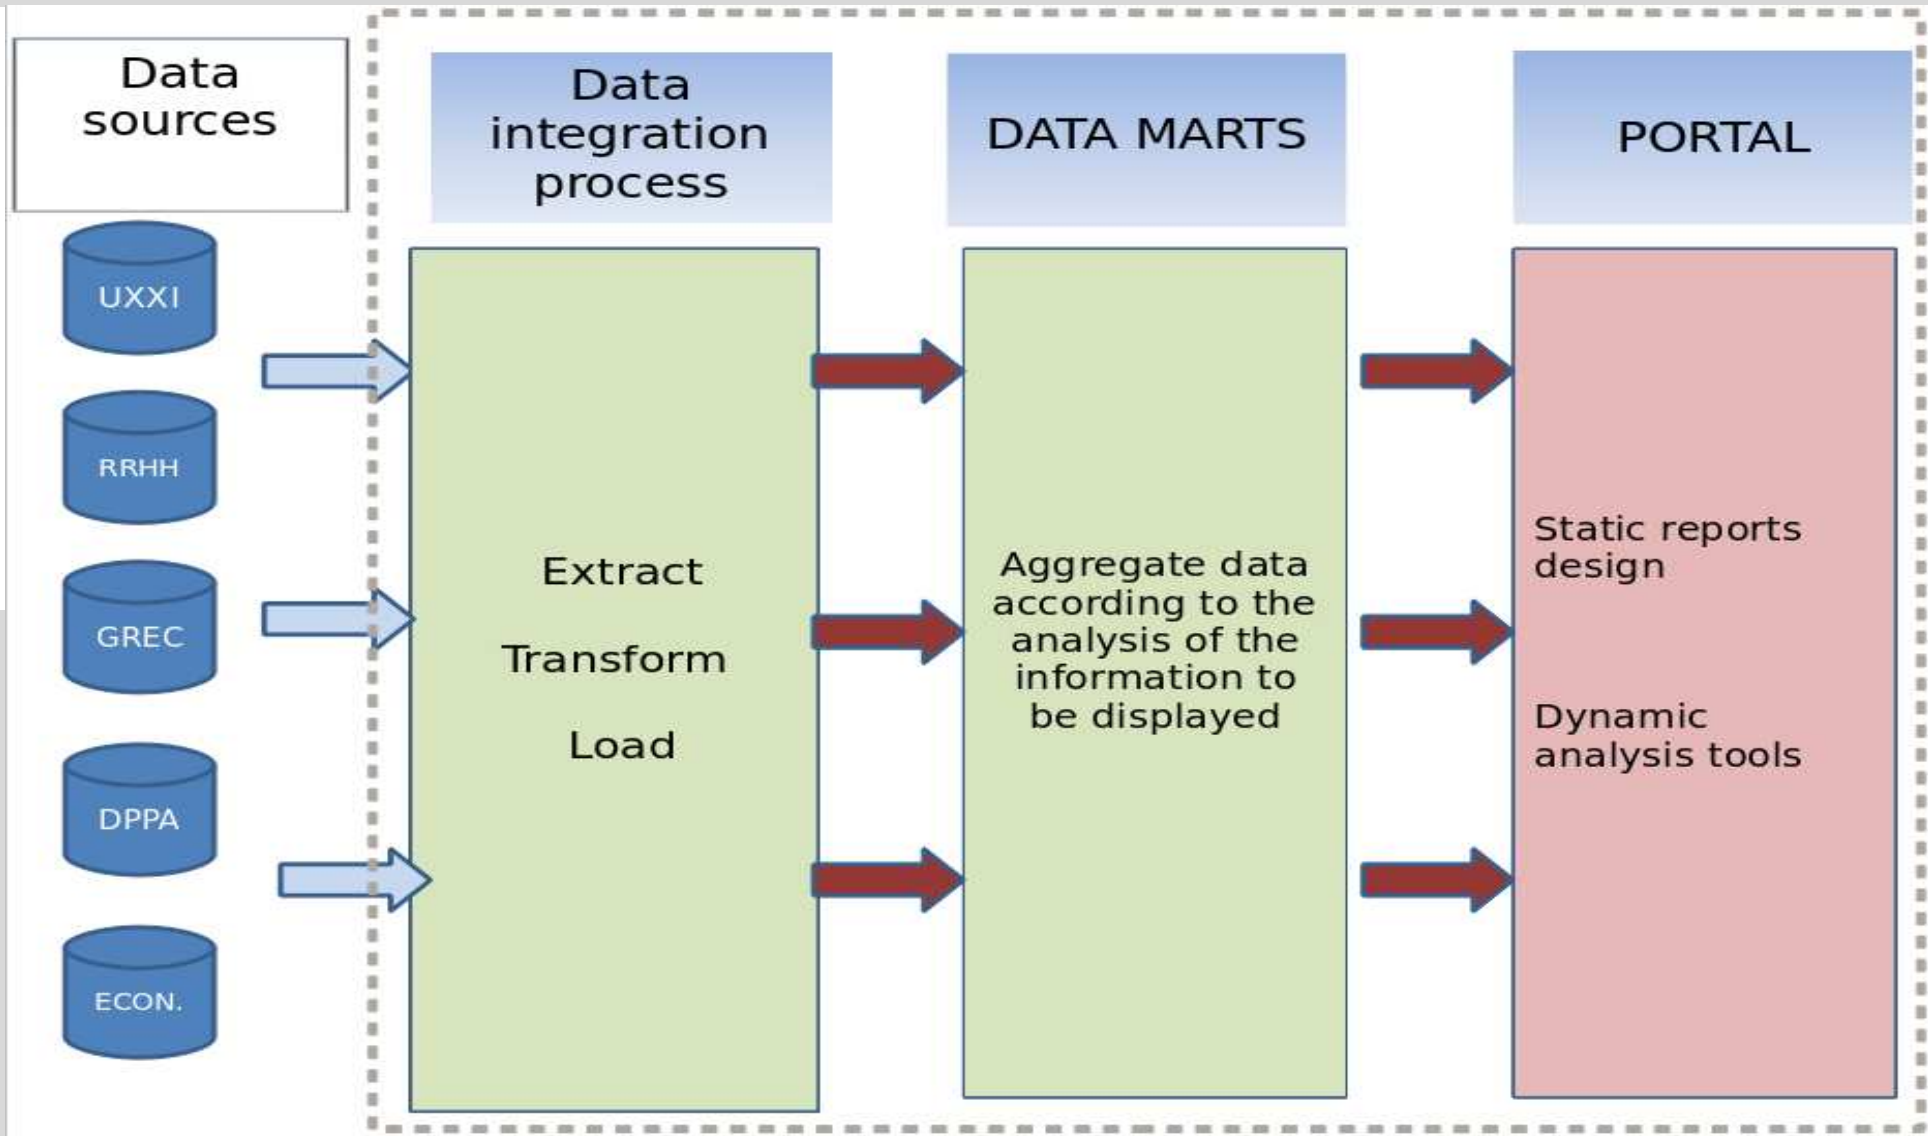

- **Capture** all data management processes
- **Integrate** information

- **Answer** to institutional inquiries
- **Improve** UdL management, providing BI decision support
- Annual **follow up** of the degrees

UdL

## What's a DataWareHouse?

<http://dtwh.udl.cat/pentaho/Login>

UdL

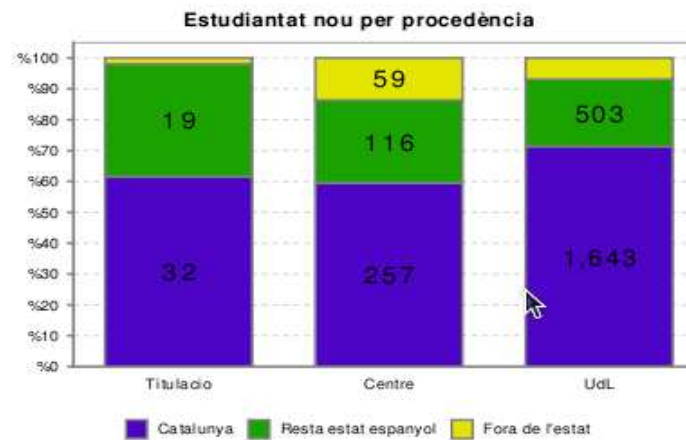

Some of the most important data reports provided periodically to the university:

- Annual follow-up of the degrees (DOSSIER OF INDICATORS)
- Budget for schools and departments
- Governmental statistics

UdL

- Assessment of courses
- Satisfaction of teacher's performance
- Exchange programmes
- Recent graduates
- Practicum
- Doctorate

### Valoració del professorat

### Valoració de les assignatures

## Dossier of indicators

**Dossier of indicators** it's the most important part in the follow-up revision of a degree:

- Each coordinator must explain facts and figures and decide actions for improvement
- External evaluation will be based on those indicators
